

Here it is!

The new oil range that challenges every known cooking device in speed, economy and reliability

Two, three and four-burner Superflex Stoves, each equipped with one Giant Superflex burner.

THE largest makers of oil cook stoves in the world have now perfected a model that is unsurpassed for every kind of household cooking.

New Perfection Oil Cook Stoves have long been recognized as the leaders in their field. And this latest model, now being offered for the first time, is the leader of the whole New Perfection line.

Most oil stove users burn Socony Kerosene because of its uniform quality and economy.

This latest New Perfection is equipped with the new and vastly improved Superflex burners—a revolutionizing step in oil stove construction. This new Superflex burner, with its double wall and double draft, gives the cooking speed of gas, together with the acknowledged economy and convenience of kerosene oil.

To accommodate these Superflex burners and the Giant Superflex, pictured above, a stove has been designed that in beauty, strength, convenience, general satisfaction and economy is in a class by itself.

New Perfection Oil Cook Stoves are known and used the world over, nearly 4,000,000 in America alone. Their many conveniences appeal strongly to busy housewives. There's no coal hod or wood box to keep filled, no ashes to carry out, no kindling litter to clean up.

SUNDAY SCHOOL CONVENTION

Arrangements have been completed for the tour of Maine delegates to the International Sunday School Association Convention at Kansas City, Mo., June 21-27. Delegates will rendezvous at the Fairmouth Hotel, Portland, June 19 and leave at 5:30 over the Grand Trunk R. R. on a special Pullman. The General Secretary of the Maine State Sunday School Association, Rev. Edward H. Brewster of Portland, will be in charge of the party. Stops will be made en route to Kansas City at Montreal where visits will be made to both the St. James and Notre Dame Cathedrals, and at Chicago. Returning the delegates will visit Detroit and Niagara Falls, making the journey to the latter place by the Detroit and Cleveland Steamship Line. A trip will also be taken through the Thousand Islands with a brief stop at Toronto. The delegates will reach Portland on the return trip July 1.

The Convention at Kansas City promises to be one of the largest Sunday School gatherings ever held with seven thousand (7,000) in attendance. Two hundred (200) noted religious workers and educators will speak, among them being Margaret Slattery, John Steeze, Raymond Robbins, Robert E. Speer, Bishop William Bell, the Governors of Kansas and Missouri, and William Jennings Bryan. Great chorus singing under the leadership of Prof. H. Augustine Smith will also feature the Convention as will the use of pageants to make vivid appeal of religious education. Institutes upon all phases of religious education will be conducted, including Week Day Religious Education, Community Training Schools, and courses in religious education for Colleges and Universities.

BOYS' AND GIRLS' CLUBS

The total enrollment of last year in boys and girls agricultural and home-making club work in Maine, conducted under the auspices of the College of Agriculture extension service, has already been surpassed. Up to June 1 there had been enrolled 3,380 boys and girls, 43 more than during the entire year of 1921. As June is usually prolific in club activities, the membership is likely to be considerably increased during this month.

The counties of Cumberland, Hancock, Kennebec, Knox-Lincoln, Oxford, Piscataquis, Waldo and York are ahead of their last year's total enrollment. Three projects, sewing, poultry and sweet corn, have exceeded last year's totals. The sewing project leads in numbers, with 1,053 enrolled. The garden project has 579; cooking and housekeeping, 552; poultry, 411; canning, 332; pig, 169; potato, 156; sweet corn, 53; flint corn, 18. As the canning season is just getting underway, it is expected there will be a considerable increase in membership in that project.

Oxford now heads the list of counties with 568 club members enrolled. Hancock has gone up into second place, with 364. Cumberland is third with 309.

RED-TOP 30 x 3 1/2

Extra Ply of Fabric—Heavy Tread

Price \$17.85

FOR poor roads, for heavy loads, for hard use anywhere the Fisk Red-Top cannot be equaled for small cars. An extra ply of fabric and a heavy tread of extra tough red rubber make a strong tire built to meet exacting conditions.

Time after time one Red-Top has outworn three ordinary tires. Its distinctive looks indicate your selection of a high-grade tire while its extra mileage more than justifies your choice.

There's a Fisk Tire of extra value in every size, for car, truck or speed wagon

THE HIGH COST FALLACY

Some people have a mistaken impression regarding plumbing. They believe there are two kinds—the cheap job of seconds with skimped workmanship and the unnecessarily expensive quality installation.

Such reasoning is entirely without the bounds of fact.

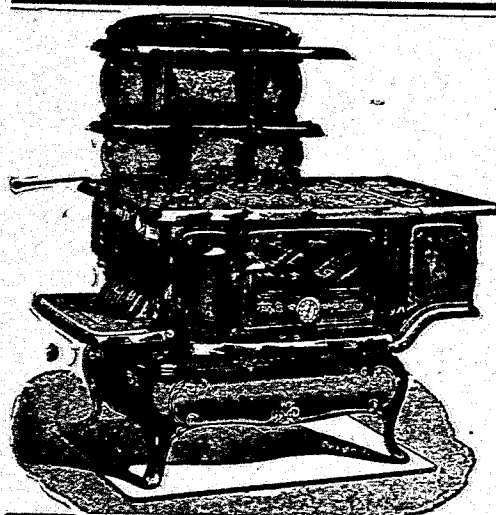

"Standard" "Cadmus" Bath

When building rest assured that your plumbing equipment can be what it should be—satisfactory in design, durability and price.

This we wish to demonstrate by going over your plans with you and showing the wide range of suitable "Standard" guaranteed plumbing fixtures which, with our charge for installation will satisfy you as to quality and reasonableness of price.

JOSEPH ANDREWS WRITES

"I am enjoying my summer vacation on my old Homestead Farm near Hurley, S. D. I consider that I have a soft snap, as I pay for my board and washing by running the washing machine, tending garden and other boyish jobs, and I have plenty of fresh eggs, butter, milk and vegetables to eat, and can rest my weary limbs upon the blue grass lawn and beneath the shade of trees my own hands planted more than 40 years ago.

Crop prospects are good, providing a 3 months drought breaks soon. Corn is selling here in the Hurley market at 41 and corn at 26 cents a bushel; hogs are over \$9.00 live weight per hundred lbs. and the top of the cattle market about the same. Eggs are 20 and butter 25 cents. Farm help around \$40.00 a month with board and washing. Country school teachers get from \$90.00 to \$125.00 a month, for a 6 hour day and a 20 day month. Taxes are high but 20 per cent less than last year.

HEBRON

Given Shower

A pleasant social affair occurred at the home of Mrs. Howard Glover, Friday evening when about twenty-five neighbors and friends gathered and gave a shower in honor of Frances Merrill, whose marriage to Walter Cross of Boston is expected to take place the last of June. Mrs. Glover was assisted by Mrs. C. W. Cummings. When Miss Merrill, who had been invited to call, entered the house, she

was showered with rose petals, afterwards she was presented with a large Pyrex, cut glass, linen and hand-work. Refreshments of rolls, lobster salad, fruit punch and ice cream were served by Norma Packard, Eleanor Pearce and Dorothy Cantella. The house was prettily decorated with pink and white.

H. E. Cantello, Dwight Cushman, Geo Glover and Floyd Philbrick have gone to Four Ponds on a fishing trip.

South Paris

(Continued from page 1)

An effort is being made to have Prof. William R. Chapman give his annual concert in Association Hall, after the Maine Musical Festival at Portland in October.

Ruth Gore Miller is spending the summer vacation with her parents Rev. and Mrs. Chester G. Miller. At the Commencement exercises in the Philadelphia School of Design for Women, Miss Miller was awarded two cash prizes for excellence in design work. She will enter the school as a senior next fall.

A large number attended the Junior-Senior reception at the High School building Saturday evening. Decorations were in the class colors, old rose and silver. Fine music was furnished by the high school orchestra. Dainty refreshments were served.

Children's Day was observed at the Congregational church at the Sunday morning service. Many vocal selections were rendered by the choir. Mrs. Sarah Parlin's class and Mrs. Martin Clifford's primary class. Rev. E. A. Morris preached a sermon which held the closest attention of the children present.

Berne Mitchell of the Howard Drug store passed the state examination at Augusta and is a registered pharmacist. He is a graduate of the Massachusetts College of Pharmacy.

George McGinley was home from Portland Saturday night until Sunday afternoon. He is in charge of a crew of carpenters on extensive building operations near the city.

Dorothy E. Chandler, employed in the Greenleaf Refreshment rooms at Bethel passed Sunday with her parents.

Dr. E. P. Goodrich, district health officer for the State Department has investigated conditions in South Paris village and has ruled that all houses on premises abutting on a street where there is a public sewer shall be connected. The connections must be made before July 15, 1922 unless the local health officer can get an extension of time for some unavoidable reason.

The Association Hall was formerly dedicated Friday evening with a dancing party. A large number attended and enjoyed the music furnished by Drouin's orchestra of Brunswick.

During the opening exercises at the Baptist Sunday School, the pupils and teachers presented Frank A. Taylor a pair of field glasses in appreciation of his long, faithful service as superintendent. Flora Murch received two nature books for faithful service as secretary and treasurer the past eighteen years.

Katherine Ferguson, the Community nurse has arrived and for the present is located at E. M. Millett's on High street. An office at Engine House Hall has been fitted up for her use.

Clara Kerr is in charge of the department in the basement of the Roger Davis Co. Florence Johnson, Muriel Bowker, Ava Leach and William Johnson are clerking in the dry goods department.

Raymond C. Dunham moved his stock of refreshments into the rooms formerly occupied by the Blue Store and opened for business Saturday evening. Although not all set or ready for a rush, the crowd arrived just the same and gave Ray a smart send off. Mr. Button the piano jazzist, formerly of the U. S. Navy, presided at the key board during the evening and every person enjoyed his concert. Lydia Sweet and Emma West were the assistants and will have employment there during the summer.

Loss of Appetite—That Tired Feeling

Thousands take Hood's Sarsaparilla as their tonic medicine for that tired feeling, nervous weakness, that pure blood, and testify that it makes them feel better, eat and sleep better. Hood's Sarsaparilla has given entire satisfaction to three generations in the treatment of general debility. It restores the appetite, relieves that tired feeling, enables the system to resist infectious diseases.

Hood's Sarsaparilla aids digestion and makes food taste good. A good cathartic is Hood's Pills.

Lafayette Littlehale

Lafayette Littlehale's funeral services were held Sunday afternoon. Mr. Littlehale was born in Riley Plantation (Ketchikan) and grew to manhood there, but for a number of years has been a resident of Bethel village. He was a member of the I. O. O. F., a member of Mt. Abram Lodge.

The services were conducted by them. Burial was at Sunday River. His age was about seventy years. He leaves one sister, Mrs. Juliette Coburn and several nieces and nephews and other relatives and friends.

D. R. Smith was at West Paris Monday.

Mrs. Addie Wentworth has been a business visitor in town.

The new building on Main street is progressing fine. There is a possibility that the Post Office may be located there as the accommodations at the present location are thought to be inadequate.

Mr. and Mrs. Elden Peterkin went to North Bridgton Sunday to attend a family gathering at the home of Mrs. Peterkin's aunt, Mrs. Ellen Carsley and family.

Their daughter Marion accompanied them. Mrs. A. B. K. Grover went as far as Hunt's Corner, Albany with them and attended services at the church on the hill and spent the day with friends.

Capt. Edwin Coburn, Mrs. John Coburn, Charles Coburn and Arthur Coburn were in town to attend the funeral services of Lafayette Littlehale.

Harry Wentzel has bought Silas Littlehale's stand on Mason street.

Ralph Berry moved his family to their new home at the foot of Mill Hill, formerly the Gerrish house.

Walter Blake has moved to the Glines place he recently purchased on Songo road.

Ruby Smith is at home with her brother D. R. Smith for a vacation.

People having accommodations for summer boarders regardless of number desired, should put an ad in the Intelligence Column—inquiries coming in frequently for such places.

NORWAY LAKE

The Mothers' Club will have a dance at their hall, Saturday night.

Mrs. Angie Sawyer, who is stopping with her brother, Charles Boober and wife, met with a peculiar accident during a recent thunder shower. Mrs. Sawyer stood at the sink and the electricity came in on the iron pump, burning her arm quite severely.

Mrs. Percy Proctor has finished work at the shoe shop.

Mrs. J. E. Marston motored to Portland, Saturday, to meet her daughter, Florence, who has been in New Jersey since last fall.

Marion Proctor, who has been visiting in Bethel, has returned home.

Mr. and Mrs. Henry Healy and children visited relatives in Portland, recently.

Mr. and Mrs. Ralph Tucker of East Stoneham were week end guests at Will Tucker's.

Ruth Elliott returned to her home in North Waterford, Saturday, after closing a successful year's work as teacher of the Norway Lake School.

Mrs. Alfred Snow and baby Pauline went to Center Lovell, Sunday, where Mr. Snow has work for the summer. J. S. Smith carried them in his auto accompanied by Henry Healy and little daughter Frances.

Abbie Witt went to her old home at the Center, Monday, to remain during the conference which is being held at the Center church.

Mrs. Jack Ariel and little daughter Elizabeth spent the week end in Lewiston.

Gladys Horr of Lewiston is a guest at J. S. Smith's.

Mr. and Mrs. F. W. Lea and daughter and Mr. and Mrs. F. J. Lea of North Haverhill, New Hampshire, were Sunday guests of Mr. and Mrs. Nathaniel Bennett. Mrs. F. W. Lea is a sister of Mrs. Bennett.

Those not absent for the term in the Norway Lake School are as follows: Graham Bachelder, Gerie H. Brown, Robley Morrison, John N. Morrison, Chester Morey, Eileen Dulac, Dennis Dulac, Edith Dulac.

Those who received 100 per cent. for the year's work in spelling, Florence Bryant. Ruth R. Elliott, teacher.

BOLSTER'S MILLS

Mrs. Mabel Jilson is stopping with her father, Brackett Small. Mrs. Small is somewhat improved in health.

Agnes Pinkham is visiting her father, N. C. Pinkham.

Harry B. Hodsdon, wife and infant daughter, Eleanor, are visiting Mrs. Hodsdon's parents, Mr. and Mrs. Jason Scribner.

The village schools closed last week. Rev. D. B. Holt, D. D. preached here last Sunday. Quarterly Conference was held at the close of the service.

WATERFORD

Mr. and Mrs. Mellen Plummer are at the Plummer homestead for the summer. Arthur Millett with crew of men and teams has commenced work on the State road.

A larger crowd than usual attended the Flag Day exercises, Friday, also a finer program than ever before was given by the children.

Alice Flagg of Beverly, Mass., and brother, Dr. C. M. Flagg of Shreveport, Louisiana, are summer guests for a few weeks at Addison Millett's, Highland Farm.

School closed in District No. 5 last Thursday. The afternoon was spent in putting away books and a general good time. At a signal from the teacher the hounds (the scholars) except one, started at a certain point on the white (paper) trail of the hare. It led around the building of Addison Millett, through the fields and along the road until at last the hare was found sitting on a stone by the side of the road in front of the Plummer homestead and proved to be no other than Elizabeth Millett. The teacher now gave out the prizes for the term as follows: largest flower list, Howard Millett; best rank, Lillian Millett; best behavior, Ruby Millett; perfect spelling, Elizabeth Millett. After this a treat of cookies and candy was served.

Mrs. M. D. Kimball spent the day, Tuesday, with her sister, Mrs. A. R. Millett.

George Greenleaf has bought a Ford truck of Mrs. Evelyn McAllister of North Waterford.

Mr. and Mrs. Carroll Greenleaf, Mrs. Abbott and Mr. Merrill visited Mr. and Mrs. George Greenleaf, Sunday afternoon.

Moreau Now Back at Work Feeling Fine

Troubles Completely Overcome by Tanlac And He Never Expects To Be Without It, Declares Lewiston Man.

"My health was so bad I couldn't work at all, but since taking Tanlac I am on the job every day now," said Michael Moreau, 303 Bates St., Lewiston, Maine, a well-known employee of Penney's and Post Co. at Auburn.

"For three years I went down hill and my stomach got so out of order I could scarcely eat anything. After meals I bloated up with gas, and suffered from terrible pains around my heart. I was run down and weak, nervous as a person could be, and so troubled with headaches I hardly knew what a peaceful moment was. Finally I began having such severe pains in my back I just had to stop work."

"Then I read a testimonial about Tanlac and started taking it. It has now put me in such good shape I am several pounds heavier in weight and am feeling just fine. I don't expect to be without Tanlac in my house."

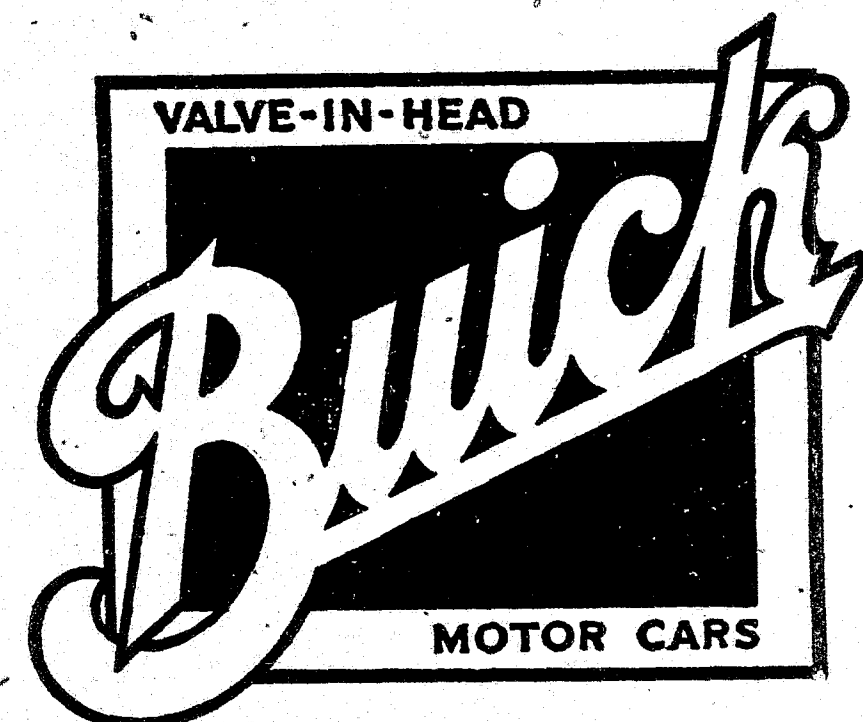

Tanlac is sold by all good druggists.

How the Famous Disc Clutch of the Buick "Four" Proved Itself

The same design of disc clutch that was used in the powerful war tanks is likewise used in the Buick Four.

The Buick clutch under the most gruelling conditions, has proved itself absolutely positive, dependable, and easy to operate—a clutch that demonstrated the same certainty and safety for unforeseen emergency that it did for ordinary service.

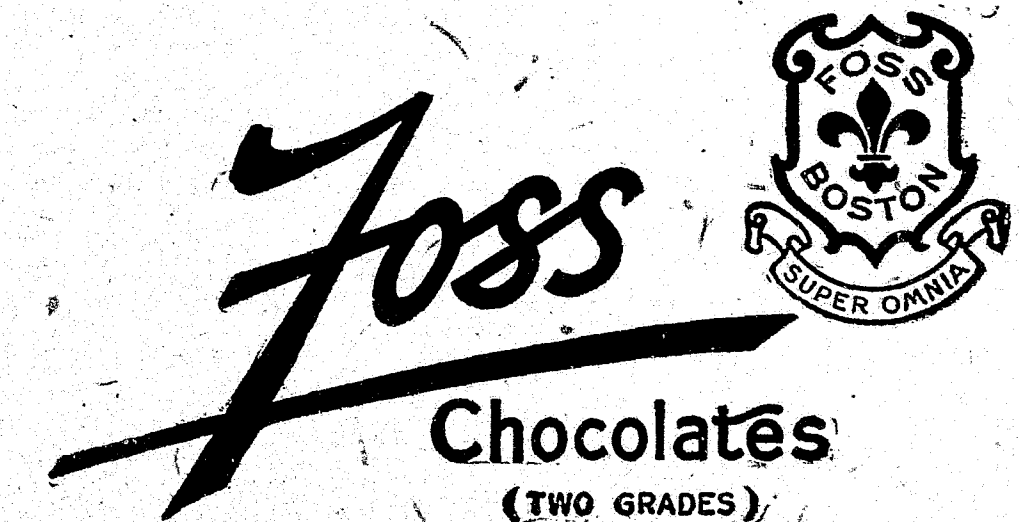

This thoroughly trustworthy unit is a development of 20 years consistent effort. It is typically representative of the standards governing the construction of the Buick Four throughout.

The second grade have read more books than any class in the history of Middle Primary School. The class of 1922 is certainly the banner class, and in due credit to the boys, one will have to go a long way to find as charming readers. Follow them through the High School, please. It seems a long way; but you'll hear from these little people some day.

New projects and holidays have received the usual attention this year; but the cuckoo clock added to the schoolroom last fall has proved the dearest treasure ever purchased. The boys and girls earned almost every dollar, and when a member of the school board was asked if the balance could be made up from general school funds, he replied, "No, but I'll gladly give the balance, for I should buy a ticket, or purchase whatever the little people placed on sale to earn the dollars." Therefore, each child has been grateful to Hugh Pendexter, all the year, and little hearts will be made happy years to come through the kindly remembrance. The last day brought a general good time for the children, with the usual ice cream treat.

The school year has been a happy one, and the hearty cooperation of parents in every project undertaken has been appreciated.

Pierce School

School in this district closed Friday, June 2. Term enrollment, 7; Pupils not absent or tardy:

Gerry Dunn Fred Dunn
George Dunn Sidney Abbott
Alma Dunn

Woodbridge Kimball was absent 9 days.

Sidney Abbott missed less than 10 words in spelling during the year.

George and Alma Dunn were not absent during the year. Fred Dunn was absent 1/2 day; Gerry Dunn, 1 day; Sidney Abbott, 3 days; Gerald Strout, 13 days and Woodbridge Kimball, 55 days during the year.

The pupils and teacher celebrated the last day by going on a picnic and enjoying the usual picnic fun. The day was perfect for a picnic.

The box and pie social at the school house Friday evening, May 26th was well attended and all present had a good time.

The teacher and pupils gave an exhibition of the 12 exercises from Walter Camp's wonderful Health Builders.

These exercises are done by music while Walter Camp himself does the counting himself through the talking machine. Six dollars and forty-five cents were realized from the sale of pies and boxes. Maybasket as a special prize. The schoolroom was decorated with butterflies, fairies flowers and flags.

Methodist Church Notes

Next Sunday morning the pastor's theme will be "The Child and His Church." The evening sermon will be upon the subject, "Doing What You Can't."

On account of the graduation services, there will be no meeting at this church on Thursday evening, the usual mid-week service being wholly omitted this week.

The plans for the Cradle Roll reception on Thursday afternoon, June 22nd, in the Community Hall, are going forward. There are 35 children on the roll, representing about thirty families.

June 25th will be observed as Children's Sunday with special sermon on Education in the morning, and the children's concert in the evening. Parents who wish children baptized at the morning service will please speak with the pastor. In the evening, the annual offering for the Student Loan Fund will be received.

The congregations of last Sunday greatly enjoyed the sermons of Dr. Holt at both the morning and evening services. His addresses are always thoughtful, clearly expressed, and upon themes which need especial emphasis.

The meeting of the Methodist Ministers' Association on Monday was marked by the attendance of every preacher serving in this denomination on the Grand Trunk from North Yarmouth to Berlin, N. H. The brief addresses on the program were in every case followed by discussion in which members took part freely under the able leadership of District Superintendent Holt. This part of the program proved even more interesting than the set speeches. The ladies of the church entertained all visitors at well served tables at noon and evening.

In the election of officers Rev. D. B. Holt was made president, Mrs. Percy C. Bent of Gorham, N. H., vice president, and Rev. C. B. Oliver of Bethel, secretary and treasurer.

Arthur C. Descoteau of Norway is one of eight Juniors of Bates College elected to the Jordan Scientific Society. The election to this organization is an honor attained only by those undergraduates who have, by their scholarship in science at Bates, merited in this distinction. The annual scientific exhibit of this organization has won renown outside of the State.

A meeting of the Norway Board of Trade will be held at Concert Hall, Friday evening, June 16. Supper will be served at 7 o'clock. Several committees will make reports and new business will be talked over.

Mr. and Mrs. Max Nathanson of Providence, R. I., have been in town for a few days, bass fishing.

Mr. and Mrs. F. V. Miller returned to Long Island, N. Y., after a two weeks stay at the Lake enjoying the fishing. They stayed at the James cottage. This is their fourth season here.

BETHEL

Stock Improvement

Stephen E. Abbott, Maplehurst, Route 1, of Bethel, has purchased from Ayre-dale Stock Farm, Bangor, a purebred Jersey bull, sired by Sophie's Captain Fogis 17862, he by Sophie 19th's grand-son. The dam of the bull is Tormont's Golden Pawn who is on register of Merit test at Ayre-dale with first calf and in 144 days has made 261.58 lbs. fat. Her sire is a silver medal bull.

Mr. Abbott is certainly on the right track when he buys a bull like the above for in any herd the herd sire is two-thirds the herd. If more of the breeders in Maine would see fit to buy such animals as Mr. Abbott, the State of Maine would be put on the map.

G. B. Bryant of Lewisburg, Tennessee, has just purchased from the Ayre-dale a few young bulls to take to Tennessee, the heart of the Jersey world, to sell them from there. When a man comes from Tennessee, where there are as many Jerseys in that state, way up to the little state of Maine to buy bulls, when the Maine farmers pass the animals by, it certainly is pleasing to find a Maine farmer who appreciates the value of good stock.

(Communication) TAXATION AND HIGH COST OF LIVING

The Supreme Court of the United States has recently decided that labor associations and organizations can be sued for damages where owners of mills and factories have been interfered with by their members to prevent the operation or management of their plants. This is the greatest blow the labor unions have received and one of the best things for the "open shop" that has taken place. And not less significant in the same direction are the terms of an injunction by a Manchester, N. H. judge against the strikers and their sympathizers in the Amoskeag Mills in that city last week. It was a very black eye to "picketing" which ere long will not be tolerated any where. The Boston Herald editorially says:

"A New Hampshire court granted an injunction Thursday to the Amoskeag mills of Manchester, N. H., which is one of the most comprehensive and conclusive defenses of the right to work that any court has ever issued. It not only prohibits the strikers from the ordinary methods of intimidation, picketing, interference and abuse of operatives in the company's mills, but it enjoins the assembling of strikers in large gatherings in the vicinity of the mills; the writing of letters to workers; visiting the homes of workers and even the holding of parades of strikers and their sympathizers. 'In brief, the injunction provides that the employing company shall not be interfered with in any way and that the workers who desire to enter the mills and work shall be entitled to that same degree of life, liberty and the pursuit of happiness to which they would be entitled, under the constitution and the laws, if there were no strike.'

"The particular persons enjoined include all the strike leaders, the president of the state federation of labor, the officers of the United Textile Workers of America from the present day on, the 70 members of the strikers' board of strategy and all the officers and members of every textile and metal trades union in that city. It is a wholesale assault, delivered in a wholesale manner, against the scurrilous which went into operation last Monday when the company undertook to put to work those who wanted to go."

Lewiston tax rate this year is 29 mills, a decrease from last year. Food cost in Boston is higher than in 1918. It dropped only six per cent within the year. Wool has advanced and retailers take the opportunity to boost prices. See Hoover say there is no law whatever to prevent coal operators from charging whatever they please. People should bear this in mind when Congressmen come around to tell us what they have done to save the consumer from being cheated.

A Boston Daily says: "The train is a little late but the next stop is at Normale." Mighty long distance between stations. The best telescope at the U. S. observatory at Washington is not powerful enough for one to see it.—News Item and Comment.

The price of lumber and building materials are being boosted without adequate cause. The "rich are growing richer and the poor poorer." Conditions are fast creating a favored class. Individual right count for little or nothing concentrated in the hands of a few as against the interests of the many. Persons are selected for public positions who can be controlled by those having strings attached to hooks in their noses. It's time that a change took place. How long will the people be gulled.—Editorial Comment.

Congress seems to be getting tired over the tariff. Night sessions are abolished. The tariff should be pretty close to free trade for a period. Profiteers would get their deserts. Germany could begin to pay what it owes and business conditions throughout the world would at once improve.

OTISFIELD

A delightful surprise party was given Mrs. Rose Edwards on her eighty-first birthday, June 10th, by her children, grandchildren and great grandchildren at the home of her son, Eugene Edwards. There were several kinds of cake, among them a decorated birthday cake, also candy, ice cream and a number of presents and birthday cards from her friends. Those present were Mr. and Mrs. Eugene Edwards, L. G. Edwards, R. S. Lombard, Mr. and Mrs. Frank LaTulippe, Elmer LaTulippe and wife, Edna and Milton Deming and George Hoyt and family. The thoughtfulness will be remembered by Mrs. Edwards many times during the coming year.

A heavy thunder shower passed over this place last Thursday, there were several telephone posts struck and shattered on the road from Frank LaTulippe's to Bolster's Mills.

Eugene Edwards and family went to Bridgton, Thursday, on business. Frank Chute and wife and son of Casco called on Eugene Edwards and family, recently.

Arthur Thompson and family of Norway visited at Arthur Smith's, last week. Mrs. Abbie Edwards is visiting her sister, Mrs. Albert Hamlin, at Norway.

NEWRY

Mrs. Leslie Corbett has returned home from Massachusetts. Her brother came home with her for a few days visit. Mr. Corbett is at work for W. H. Bond.

A number of people went from this town to Bethel Thursday to attend the graduation exercises at Gould's Academy. Guy Perkins of Bethel is working for Elmer Bailey peeling timber.

Gertrude Bailey is at work for W. W. Kilgore at Poplar Hotel. Frank Douglas was in town last Saturday on his way to Hanover.

RUMFORD POINT

George Muse has the contract to build the state road in Byron; he moved to Hop City Monday into the Knapp house. F. G. James and wife are visiting at Chas. James in Bethel.

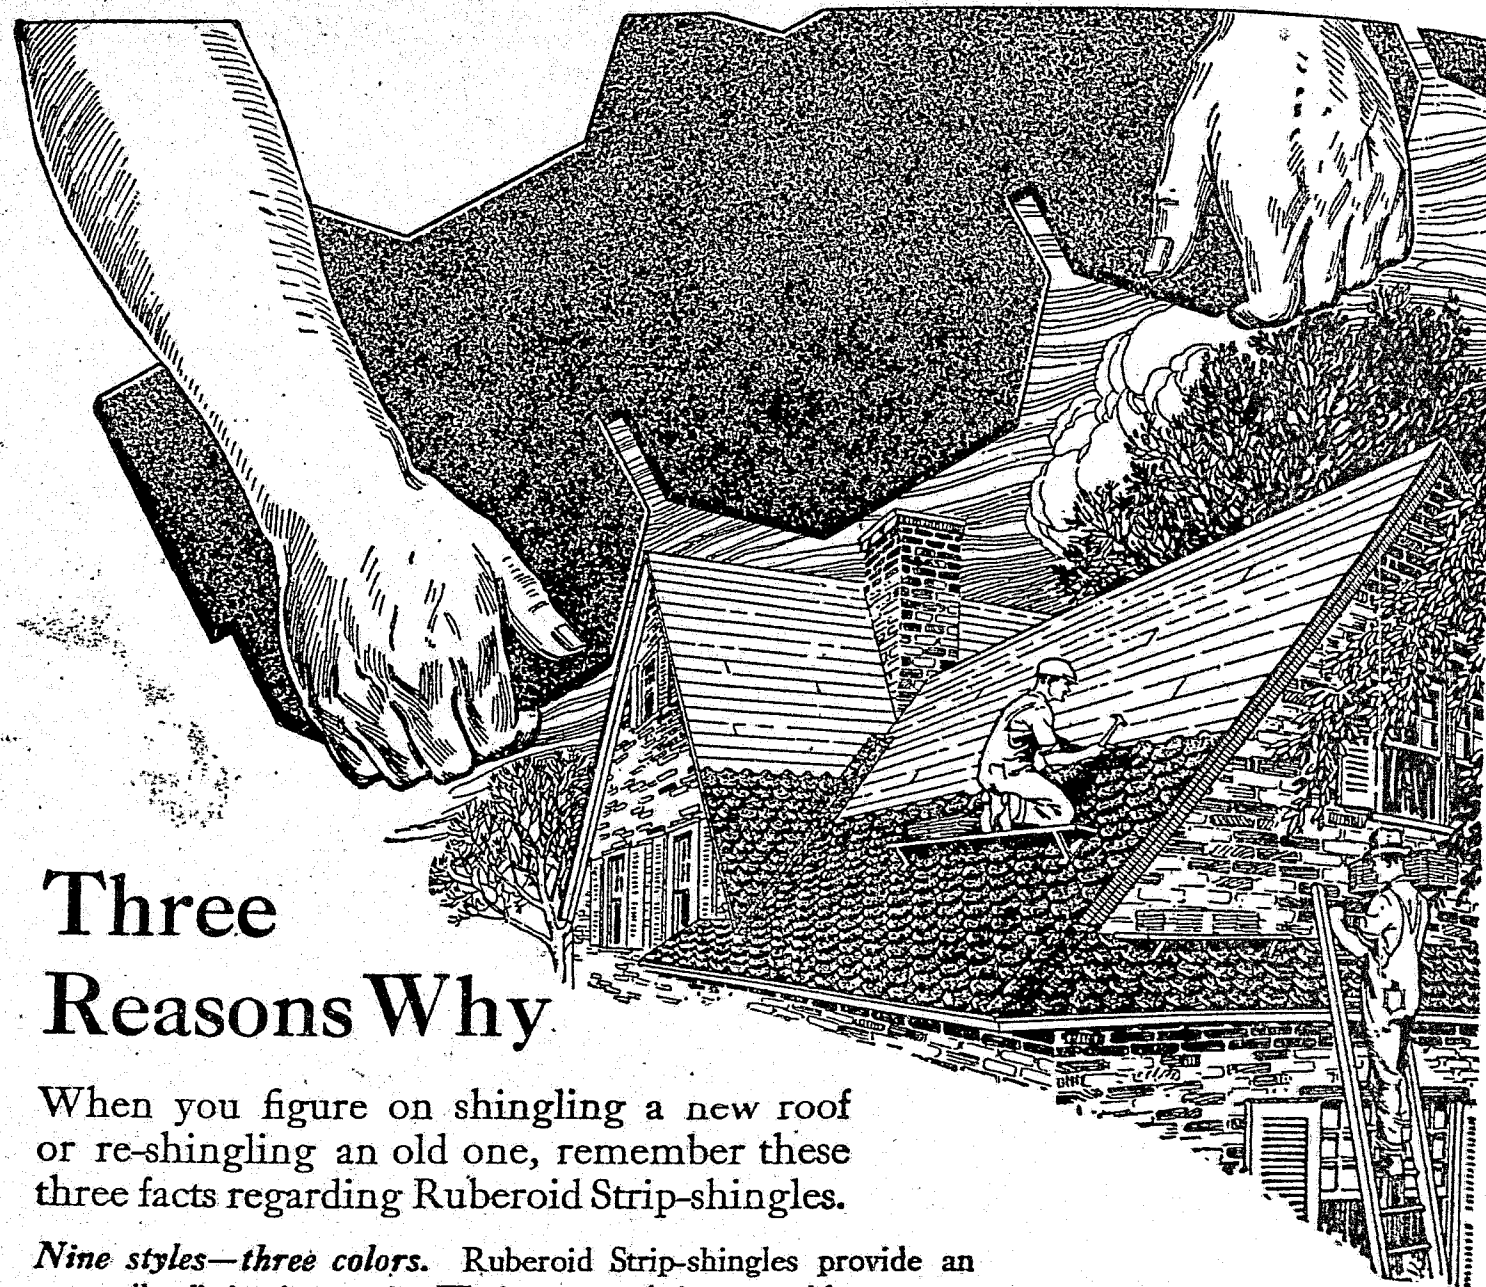

The school exhibition here Friday for the rural school was a success. George Cole was giving a party at Middle Dam last week.

Mrs. Baker and daughter returned from Portland Saturday. Forest Ladd has gone to Roxbury to cut pulp for John Ladd.

Stella Elliott's school has closed at Roxbury and she has returned home. Helen Elliott is visiting relatives in South Portland.

BRYANT'S POND

C. Roger Lapping, a student at the University of Maine and a 1st Lieutenant in the R. O. T. C. division in that college, is spending a few days at Bryant's Pond. He will then make a brief visit with his mother and sister in Woodfords and go to Camp Devens for six weeks' training.

Three Reasons Why

When you figure on shingling a new roof or re-shingling an old one, remember these three facts regarding Ruberoid Strip-shingles.

Nine styles—three colors. Ruberoid Strip-shingles provide an unusually distinctive roof. Their patented form enables you to choose your roof from nine attractive styles. The natural slate-surfacing (red or green) on one face and a substantial grey weather-coating on the other, makes it possible for you to carry out any particular style in either solid colors or in attractive blends of sage green, Indian red, or steel grey—depending upon your fancy.

Less expensive to lay. Ruberoid Strip-shingles save labor and expense when it comes to laying. With every strip, four shingles are fastened in place. No chalk lines are necessary, because the shingles are self-spacing.

No expense for upkeep. Ruberoid Strip-shingles are built according to the well-known Ruberoid standard of quality through and through. They are unusually thick and rigid. They will not curl or warp. Surface and back coatings, saturant and felt, are the best that can be made.

Phone us today for samples and a folder which illustrates in colors the nine different styles which may be obtained.

The Wentworth Poultry Fountain

We have recently perfected (Patent Applied For) a system known as THE WENTWORTH POULTRY FOUNTAIN. It has been developed with the idea of lessening the spread of diseases through the drinking of contaminated or impure water. The fountain or main body of water is entirely separate from the drinking vessel. Water is automatically drawn from the fountain and maintained at any predetermined depth in the drinking vessel. It will thus be seen that it is impossible for the main body of water to become contaminated, for it does not come in direct contact with water in the drinking vessel. The object, therefore, and its advantages are as follows:

FIRST—The Drinking Vessel, being separate from the main body of water, may be rinsed or disinfected, at will without interfering with the fountain or main water supply.

SECOND—There are no float valves, air tight caps, or anything of the sort to get out of order. Its construction is simple; its operation is positive and pleasing.

THIRD—It is durable—will last a lifetime, and is inexpensive.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be removed your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing inflammation and restoring normal conditions.

Read What Mrs. Lucas Writes Concerning Her Troubles, Which May be Just Like Yours

St. Louis, Mo.—"I had troubles that all women are apt to have, with pains in my back, weak, tired, nervous feelings and a weak stomach. I had been this way about a year and was unable to work or stand on my feet for any length of time. My husband's aunt told me how much good Lydia E. Pinkham's Vegetable Compound had done her and begged me to try it, so I did. All my pains and weakness are gone, my stomach is all right and I do my work at home and also work for Swift's Packing Company. I recommend your Vegetable Compound to my friends and you may publish my letter as a testimonial."—Mrs. LULU LUCAS, 719A Vandeventer St., St. Louis, Mo.

Again and again one woman tells another of the merit of Lydia E. Pinkham's Vegetable Compound.

You who work must keep yourself strong and well. You can't work if you are suffering from such troubles. Mrs. Lucas couldn't. She tried our Vegetable Compound and her letter tells you what it did for her. Give Lydia E. Pinkham's Vegetable Compound a fair trial now.

DOES IT PAY TO WORRY ABOUT APPENDICITIS

Can appendicitis be guarded against? Yes, by preventing intestinal infection. The intestinal antiseptic, Adler-ika, acts on BOTH upper and lower bowel removing ALL foul, decaying matter which might start infection. EXCELLENT for gas on stomach or chronic constipation. It removes matter which you never thought was in your system and which nothing else can dislodge. One man reports it is unbelievable the awful impurities Adler-ika brought out. STATE OF MAINE

To the Honorable Board of County Commissioners for the County of Oxford and State of Maine:
The undersigned Municipal Officers of the town of Norway in the County of Oxford aforesaid, respectfully represent that the true boundaries of "Temple Street" so called a town way in Norway Village in said town of Norway leading from Cottage Street to Danforth Street in the rear of "Starbird Stable" so called, being a town way duly laid out in said town, are doubtful, uncertain and can only be established by user.

Wherefore the Municipal Officers of said Town of Norway wherein said way lies, most respectfully petition your Honorable Board, after such notice and hearing as may be required, to locate and define the limits and boundaries of said "Temple Street" and mark the same as required under the provisions of Chapter 24, section 11, Revised Statutes of Maine, and to take such other and further action as in such cases made and provided by law.

Dated at Norway this thirteenth day of May, A. D. 1922.

ALVIN BROWN
ARTHUR ROBBINS,
GEO. F. HATHAWAY,
Municipal Officers of the Town of Norway. 23-25

COUNTY OF OXFORD, ME.

Board of County Commissioners, May Session, 1922; held May 16, 1922.

Upon the foregoing Petition, satisfactory evidence having been received that the petitioners are responsible, and that inquiry into the merits of their application is expedient, IT IS ORDERED, that the County Commissioners meet at the Selectmen's office, in said Norway, Wednesday, July 12, next at ten of the clock A. M., and thence proceed to the route mentioned in said petition; immediately after which view, a hearing of the parties and their witnesses will be had at some convenient place in the vicinity, and such other measures taken in the premises as the Commissioners shall judge proper. And it is further ORDERED, that notice of the time, place and purpose of the Commissioner's meeting aforesaid be given to the Town of Norway and also posted up in three public places in said town and published three weeks successively in the Norway Advertiser, a newspaper printed at Norway in said County of Oxford, the first of said publications, and each of the other notices, to be made, served and posted, at least thirty days before said time of meeting, to the end that all persons and corporations may then and there appear and show cause, if any they have, why the prayer of said petitioners should not be granted.

BATES—WEST PARIS

Rev. J. H. Little delivered a fine sermon to the W. P. H. S. Seniors last Sunday morning. His text was taken from Gen. 16:13, "Phou God Seest Me" and his charge to the class in brief was: Do all and your utmost in the name of Him who "seest" them. The young peoples double quartet under the direction of Alice E. Barker sang two beautiful anthems accompanied by Miss Barden.

Operetta Given

The operetta, "Love Pirates of Hawaii" Monday evening by the High School was very pretty and entertaining. The only complaint was that it was not long enough. The stage was prettily decorated with a solid back ground of fir boughs with small evergreen trees on the side and a solid row of potted plants across the front edge of the platform. The chorus of girls were dressed in white middie blouses and skirts with orange paper necklaces. The chorus of boys were dressed like pirates and their makeup almost disguised them. Following are the character parts:

Dorothy Dear Louie Peabody
Miss Primmer Leona Marston
In Hawaii, dressed in black, an old maid.
Lulu Olga Jackson
Karl Mona Billings
Lil Henry Briggs
Billy Wood, lover of Dorothy Dear Stanley Perham
Pirate Chief Karl Briggs
Scary Karl Briggs

New Gingham Dresses

A great season for Dresses made of Gingham. We are selling large numbers of them. This gives us the opportunity to purchase new styles every week. The Dresses are trimmed with organdie in very pleasing ways, nearly all have the long, wide sash, neat checks of all colors.

Dresses for \$4.95, unusually pretty and of good quality. Other dresses for \$5.95, \$6.95, \$7.95, \$9.95.

WORSTED TUXEDO COATS

The price \$6.95

Another shipment of the much wanted Coat, it is a garment that renders exceptional service, pinch back, cross belt in front, pockets and cuffs trimmed with buttons, colors are black, navy, and tan.

ESMOND COTTAGE

BLANKETS

\$4.50, \$4.95, \$5.50, \$5.95

The ideal blanket, thick, soft, warm and durable. Exquisite in coloring, enriches any bed room. Twice the thickness of the ordinary "pair" of blankets. This gives a concentrated warmth, and longer wear without extra weight.

THE COAT AND SUIT DEPARTMENT

offers many great inducements. The garments are all Marked Down; this gives you an opportunity to save a nice sum of money.

SUITS of Navy Tricotine, Homespun, Jersey Sport Spun and Tweed in several colors.

COATS, of many kinds, sport models as well as the staple garments; not a poor style in the assortment.

SUMMER DRESS GOODS

We have just received many new goods for summer wear. These, with the large assortment we had, gives a splendid choice. You can find here good looking materials at a very low price as well as the more expensive.

If unable to come to the store, just say the word and we shall be pleased to send you samples. Plain and Fancy Voiles, Dress Linen, Beach Cloth Sport Patterns, Everfast Suiting, Plain Colors Poplins and Beach Cloth, Lykelinen, very desirable for summer dresses, Satinette, looks like satin, light weight. Many new Gingham and Percalés.

HOLEPROOF HOSIERY

is the hosiery of lustrous beauty and fine texture that wears so well. It is not surprising, therefore, that it is selected by many women who can afford to pay far more for their hose, but who prefer the Holeproof combination of style and serviceability at such reasonable prices. This is the Holeproof story in a nut shell: wears longer, looks better. We have the silk faced and lusterized hosiery for women. The Holeproof extra-stretch top in regular and out sizes is a very desirable feature.

Holeproof Hosiery 50c, 75c, 79c, \$1.00, \$1.25.
